Dear Parents,

Our school has a fantastic resource, a group of people who assist and support the teachers and students in their work and learning. These people are the parents. Each day I have the pleasure of speaking with parents about their various roles within our school community. Some are able to come into classrooms and volunteer their time to listen to reading and change take home books and others assist in classrooms. We respect that not everyone is able to physically be here during school hours and offer their support in other ways through School Council, attendance at Sub Committee meetings, helping at working bees and even keeping an eye on the school grounds during weekends and holiday periods. All of this support is appreciated and ensures our school runs as smoothly as it does.

Another avenue for people to help has been through supporting the Parent's Club and Junior School Council events. These have included raffles, special lunch days, crazy hair, dress up days, fundraising activities and many others.

The staff and students thank you for your time, effort and dedication, as without all of these different people doing their part, our community would not be as strong as it is now. If you would like to become involved please let Anna, Jo or Natalie know so we can assist you find a way that suits you.

Regards,
Anna Duncan

Reconciliation Week

This week from 28th May - 1st June we are joining in the celebration of Reconciliation Week. This year's theme is 'Don't Make History a Mystery' and the students have been discussing how the Indigenous People lived before white people came to Australia. Some classes have read stories about traditions and legends and shared their ideas with their classmates. Some of our students will share their thinking at Assembly on Friday. Our Grade 5 and 6 members of the Student School Leadership Team will also be attending a special assembly at Bairnsdale West Primary School on Friday. Thank you to the students who have returned their travel permission forms, your prompt return of these is appreciated. If you have not yet brought your permission form to school please see Mrs Duncan for another copy.

Makers Market BBQ

On Saturday 2nd June the Parents and Friends Association will be hosting a BBQ at the Makers Market, Bairnsdale Secondary College from 7am-2pm. Thank you to the parents who have volunteered a few hours to help out. This is a fantastic opportunity for our school to earn some funds for future projects. If you would like to help out please see Laura Lenartowicz or Peter Hahnemann. Hopefully this opportunity may lead to more fundraising opportunities like this in the future.

Playgroup

Jane from the Bairnsdale Library visited Playgroup and Room 1 for Storytime. Lots of fun was had by all the children, especially when the puppets came out to play.
