Dear Parents/Guardians of students in Grade 1 2026,

Eagle Point Primary School is looking forward to another great year of teaching and learning and would like to advise you that we will be again securing students supplies from Schoolworks Supplies in Bairnsdale.

Schools provide students with free instruction to fulfil the standard Victorian curriculum, and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Eagle Point Primary School can provide a very high level of support thanks to families purchasing their student supplies, allowing us to maintain the resources available for the students in the school. This has allowed us to provide reading materials, library books, additional reading assistance for students, extra teacher aide support, functional digital devices including laptops and iPads, furniture for classrooms and open learning spaces, storage for classroom libraries and to maintain school buildings and grounds to a high-quality standard with all students benefiting from these improvements.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Anna Duncan
